

Double Toys Elle

Elle is a gorgeous model with the looks you come to expect from a top notch adult website. Elle lives in a beautiful high rise apartment with big windows. She knows she looks good and she just wants to show it all off. Wearing a long white sweater and nothing else, Elle decides to strip and have some fun. She models and shows off her pussy in various poses.

Elle touches herself several times standing up and even poses like she is in doggy style. Things get really naughty when she sits on the floor and really decides to go wild. Lifting up her sweater, Elle exposes her perfectly round melons and tight pussy. She even rubs her clit nice and good to get wet. Then Elle brings out her sex toys and gives herself a true masturbation explosion in her nice wet slit until she cums hard.
